Achievements

We are so proud of our students and their parents. We would like to express our gratitude to all parents for their generous supports as over 80% of the new students came from referrals. The ratio told us clearly that we had chosen the right way to educate our young learners.

Outstanding Students

Ronnie Cheng (D. O. B. Sept 2000)

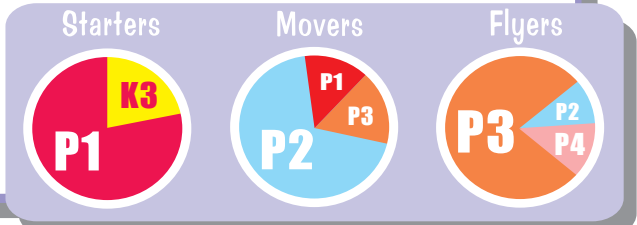

Completed "English Builder" with Distinction
Currently taking "English Master" level PRO5

Ronnie has obtained a perfect score of 15 shields in Flyers level of Cambridge YLE Exams and a "Distinction" in Grade 4 of Trinity GESE Exams. Both examinations were taken when she was only 7.5 years. Our teachers recommend Ronnie to make another **GRADE-JUMPING** to take Cambridge PET level in the coming November (2008) while she reaches her eighth birthday! We all believe that she can easily pass the exam with another "Distinction".
Ronnie is a fast reader and loves to learn more about science, history and geography.

High Standard Deer Group

Graceful Hands provides the best English learning structure for students to start an amazing learning journey since early childhood. Over these years, our students have acquired satisfactory results in different public examinations. The figure on the right is a momentous achievement that our students have created in the past year. The chart is a complete triumph which records scoring of fourteen shields or above in different levels of Cambridge YLE Exams.
